In August PO2 had a sexual harrassment case brought against him which has since been determined to be a false accusation.	PO2 has been ordered to seek legal representation concerning divorce, child support of the child by his ex-girlfriend. SK2 has set up an allotment for \$400 per month to wife per agreement and that is still ongoing with no issues between the two. Exgirlfriend has returned to FL, picked up the belongings that she wanted and returned to CA. She does not want anything else that is left.
